This is your registration for Fall dance classes at The Dance Factory. The completion of this form along with your insurance/registration fee of \$30 will guarantee your child a placement in our studio.

Please check the classes below that you would like to register for. You will have the option to pay once yearly (save 4 %) or bi-yearly (payments due July 31 and January 30 will save you 3% of the 2<sup>nd</sup> semester payment or you can pay each month with the tuition due on the first of the month. We accept cash or check, and also automatic bill pay directly to us by check from your bank.

Please note that if you choose one of the bulk payment plans, the due dates are firm to receive your discount. This payment plan helps us to plan ahead to pay our studio rent during the summer months when the children take the summer off from regular classes.

All checks should be made payable to The Dance Factory. Please put the child's name on the memo line. There is a returned check fee of \$30 due insufficient funds and all further payments must be made in cash with a receipt provided. There is a \$10 late charge for tuition received after the fifth of the month.

As you will see, if your child is a returning dancer, I will make some suggestions to classes and/or class changes that you may choose to review. This will enable your child to advance to a level she is ready for or also prepare her for our upcoming productions with additional opportunities. If you have question, please see me. You always have the option to remain with your current class.

All classes meet once a week and the prices listed below are per MONTH. Please check your preferences and return this form to the studio or send via email or mail. All class sizes will be limited.
